Welcome to Our Service Today

We would like to take this opportunity to thank you for being with us on this Lord's Day. We are truly honored by your presence. It is our hope and prayer that you will receive a blessing from the services and that God will use the preaching and teaching of His Word to stir your heart.

Jesus Cannot Be Hid

Men have tried for centuries to hide Him. Kings have opposed Him. Governments have outlawed Him. False religion has replaced Him with ritual. Modern society has pushed Him out of schools, out of homes, and out of churches. But after all the attacks and all the efforts to silence Him, Jesus still cannot be hid.

Pray with us that it will be a blessing to our listeners and that God will use this to help meet the financial needs to cover expenses. If you have any questions about ways to listen to our church services or preaching, please see Bro. Mike.

Points to Ponder

- Satan understood that the arrival of Jesus Christ meant the beginning of the devil's defeat.
- From the very night of Jesus' birth, God made it clear to the world that this was no ordinary child. This was the promised Messiah, the Saviour, Jesus Christ!
- Jesus had no sin to confess and no wrongdoing to forsake. He came in perfect obedience to the Father's will and to identify Himself with the very people He came to save.
- Jesus was not merely another prophet. He was not just another preacher sent from God. He was God manifest in the flesh who would one day go to Calvary.
- Wherever Jesus went, hopeless situations became opportunities for God to display His power.
- When Jesus preached, hearts were stirred. When He taught, truth came alive. When He spoke to weary souls, they found rest.
- People can criticize Jesus, mock Him, or reject Him, but no one can rightfully deny His power to change lives.
- The same Jesus who changed lives in Galilee is still changing lives today.
- Jesus did not die because men took His life from Him. He willingly laid down His life for sinners. Every nail, every wound, and every drop of blood was part of the price of our redemption.
- The cross was not weakness. The cross was victory!

Something to Think About

From the cradle to the cross to the empty tomb, Heaven continually testified that Jesus Christ is Lord. What the world intended as an instrument of humiliation became the greatest symbol of God's love and grace.
