Welcome to Our Service Today

We would like to take this opportunity to thank you for being with us on this Lord's Day. We are truly honored by your presence. It is our hope and prayer that you will receive a blessing from the services and that God will use the preaching and teaching of His Word to stir your heart.

Something to Think About

If you are in Christ Jesus, you are not waiting until you get to the New Jerusalem to be free from condemnation – you've already been declared free. The blood has already washed us. The Lamb has already redeemed us. The Saviour has already paid the price! We are not going to the New Jerusalem because we have earned it. Or because we have been good enough. Or because of our works. We are going because of Jesus!

New Jerusalem

There is coming a day when this earth as we know it will be passed away. There is coming a day when God will make all things new. There is coming a day when the holy city, New Jerusalem, will come down from God out of heaven. God is holy. God is sovereign. God is on the throne. And one day God Himself will dwell with His people.

FBC Publications

What a blessing the printing ministry has been in recent days as we continue spreading the Gospel through the printed page. We are thankful for our staff and their faithfulness as well as our many volunteers from other local church groups who have given of their time to this wonderful ministry! It is probably the greatest tool we have available that reaches the most people to the farthest corners of the world.

Points to Ponder

- The closer we get to the Light, the more we see our darkness.
- The closer we get to Holiness, the more we see our unholiness.
- One of the great truths of the Christian life is that God has never needed large numbers to do a great work.
- Throughout the Bible, God repeatedly accomplished His greatest victories through a handful of people who were willing to trust Him.
- The church needs the touch of God. The church needs men and women who are willing to move by faith instead of merely maintaining appearances.
- God help us never become content sitting under the pomegranate tree while there is a battle to be fought.
- Biblical faith is seeing the difficulty clearly and trusting God anyway.
- Sometimes people think faith means pretending difficulties do not exist. That may give relief for the situation temporarily, but it never solves the problem.
- The church was never intended to become a shelter from the battle. It was designed to be a launching place for the battle.
- If we wait until everything becomes easy, we will never move. Faith climbs anyway.
- Many victories are won because somebody was willing to be an armourbearer.

WBOF Radio

It is a privilege to bring the preaching of our founder, the late Dr. Terry Booher, to our WBOF listeners through **From the Pulpit of Faith**. This 5–8-minute program airs weekdays at 11:00 a.m. and 6:00 p.m., and Saturdays at noon. You can also hear a full sermon from Dr. Booher every **Sunday evening at 6:00 p.m.** These timeless messages continue to encourage and challenge us in our walk of faith.
