Welcome to Our Service Today

We would like to take this opportunity to thank you for being with us on this Lord's Day. We are truly honored by your presence. It is our hope and prayer that you will receive a blessing from the services and that God will use the preaching and teaching of His Word to stir your heart.

What If?

What if we began to treat our Bibles the way we treated our cell phones? What if we carried it with us everywhere? What if we turned back to get it if we forgot it? What if we checked it for messages throughout the day? What if we used it in case of emergencies? What if we spend an hour or more each day using it? What would our lives look like?

Something to Think About

A little girl wanted to know what the United States looked like. Her dad tore a map of the USA from a magazine and then cut it into small pieces. He told her to go to her room and see if she could put it together. After some minutes she returned and handed the map correctly fitted and taped together. The dad was surprised and asked how she had finished so quickly. She said, "On the other side was a picture of Jesus; and when I put Him back, then our country just came together."

Principle for Today

Stop looking for the perfect church. Go worship a perfect God today with a congregation of flawed people who need grace as much as you do.

A Gentle Reminder

Sometimes you've got to appreciate the little things in life, like being able to see, walk, breathe, eat, and sleep. Those are incredible blessings!

Points to Ponder

- What if God ruined your plans so your plans wouldn't ruin you?
- They say that when you give blood, you save three lives. I know a Man who gave His blood and it was powerful enough to save the world!
- The only reason I am not living in fear from what the media has to say is because I've read what the Bible has to say.
- It's time the church turns the stage back into an altar.
- If God doesn't fix the situation, He's using the situation to fix you.
- It's God's job to handle the outcome, the Holy Spirit's job to keep me aligned, and my job is to remain obedient.
- The Bible is meant to be BREAD for daily use, not CAKE for special occasions.

WBOF Radio

If you can't make it to church, you can still be a part of the service by listening to our Friends and Family Auditorium feed! And here's a nice little bonus: In between services you can hear some godly instrumental music. Great to have this available while you relax or doing some things around the house. You'll find the link to this audio stream at the bottom of our "Media" page at www.myfocusonfaith.com.

FBC Publications

God is doing some amazing miracles through our print shop. We have received emails and reports from Haiti and Kenya that a number of people have accepted Jesus as their Savior. We will be presenting some of these messages and reports in the days ahead. What a blessing the printing ministry has been in recent days as we continue spreading the Gospel through the printed page. We are so thankful for our staff and our many volunteers from other local church groups who have given of their time to this wonderful ministry! It is probably the greatest tool we have available that reaches the most people to the farthest corners of the world.
